SignatureValue (HMO Full Network)

SignatureValue Advantage (HMO Narrow Network)

- Step 1 - Click on Find Physician, Laboratory or Facility (on right under Links and Tools)
- Step 2 – Choose a type of plan – (Click on All UnitedHealthcare Plans)
- Step 3 – Click on SignatureValue Plans
- Step 4 – Click on Medical Directory (if you're searching for a primary care or specialist)
- Step 5 - Click on California
- Step 6 – Click No (This is not a Federal Employer)
- Step 7 – Click on your applicable HMO Network (either SignatureValue (Full Network) or SignatureValue Advantage (Narrow Network))
- Step 8 – Enter your 5 digit zip code or city & state
- Step 9 – Click Continue
- Step 10 – Click on the appropriate box to find the provider type you're looking for
- Step 11 - Follow the steps after clicking on the provider type

You will need to select a primary care physician (PCP) at the time of enrollment. Please indicate the Primary Care Physician's name and 10 digit enrollment #. If you do not select a PCP during enrollment, a PCP in their geographic area who is accepting new patients will be assigned to you.
